

REMARKS

This Preliminary Amendment is being submitted to indicate the relationship of the subject application to previously filed applications and to place the claims in somewhat better form for examination.

No amendment is believed to go beyond the disclosure in the international application as originally filed.

With the entry of the foregoing amendments, the application is believed to be in condition for examination and allowance. Consideration of the claims, leading to their allowance and passage of the application to issuance, is respectfully requested.

Respectfully submitted,

Richard D. Conard
